

When do offers go out?

Offers usually go out via email on 1st June for age appropriate children for the following year. We give a 48hr window for response before moving on to the next child on the list to try to let families know as soon as we can that they have a position.

Do you offer full time five day per week placements?

We do not currently offer five day a week placements.

Do you offer early placements?

Once all places have been offered to age appropriate children, we do offer early placements for children born between July and November/December of the following year. The timing of when these offers can be made is stipulated by our governing body Lady Gowrie QLD. In order to satisfy government requirements, the kindergarten must preference enrolments of age eligible children/15hrs a week. If we are able to offer early placements, order goes by date of birth starting with those born in July.

Do I need to inform you if I would like an early placement?

No, we contact all families on our wait list from the following year starting with the children born in July.

When might I be offered an early placement?

The date of early placements is stipulated by our governing body Lady Gowrie QLD and unfortunately can change year by year. Historically these offers are made late in the year around Nov/Dec/Jan. We encourage you to e-mail or call our office to enquire further.

How much are fees?
